Dear Jane:

It is with pleasure that we inform you of the successful evaluation of "Willing Change".

CSC is Canada's standards agency for the accreditation of Canadian educational resources. We are the designated evaluation corporation whose responsibility is to evaluate textbooks for the Ontario Ministry of Education. We have also evaluated learning materials on behalf of teachers, school districts, organizations, and the private sector. Educators who see our "CSC Seal of Recommendation" on a resource recognize that it has met a high standard of quality and is suitable for classroom use.

Enclosed are two copies of our Trade-Mark License Agreement which provides the opportunity for you to display the CSC Seal of Recommendation on "Willing Change", so that it can be immediately recognized as a high quality CSC recommended resource. Please sign and return *both* copies to us as soon as possible so that the electronic version of our seal can be sent to you. Stickers of the seal are also available, if you prefer, at a cost of \$15 (plus HST) per 100.

Once we have received the signed agreements, a copy will be returned to you for your file along with our Pan-Canadian Supplementary Evaluation Report for "Willing Change", our Certificate of Recommendation, and our electronic CSC Seal. At that time you will be provided with directions to complete a CSC Submission Package so that your resource may be posted on the CSC website for a period of five (5) years.

Please contact me if you have any questions concerning this matter or if we can be of any further assistance.

Sincerely,

Linda Schmidt
 Education Resources Administrator
